In Re: Interconnection/Resale Agreement Between Verizon South Inc.  
And Fuzion Wireless Communications, Inc.

Dear Mr. Walsh:

This letter is to advise that Verizon South Inc. has entered into an interconnection agreement with Fuzion Wireless Communications, Inc. (Fuzion). This is an interstate adoption by Fuzion of the interconnection agreement between Fuzion and Verizon Florida Inc. which was approved by the Florida Commission on January 22, 2001 in Docket No. 001573-TP, Order No. PSC-01-0174-FOF-TP. This adoption of the Florida agreement is made voluntarily under paragraph 32 of the BA/GTE Merger Conditions, released by the FCC on June 16, 2000 in CC Docket No. 98-184.

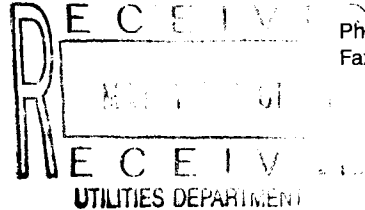

Since the Commission does not regulate wireless agreements, knowledge of this agreement is being provided to your office for informational purposes only should you receive any inquiries. A complete copy of this agreement is on file in our office and is available upon request.

If you should have any questions, please don't hesitate to call.

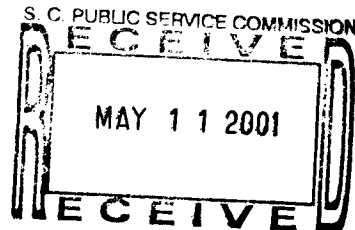

Very truly yours,

  
STAN J. BUGNER
